

Procedures for opening LFBC under Covid-19

Our staff is excited that we have a phased plan and approach to getting us all back together to worship!

Drive in only services through Sunday, June 7th

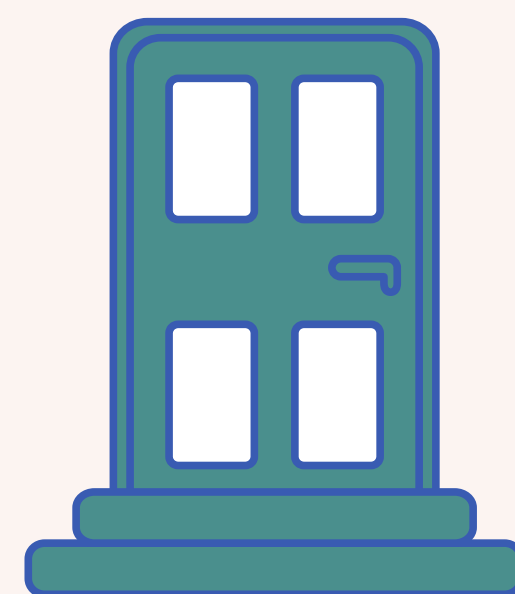

We will have Drive-in Sunday Morning Worship Service at **10:00 a.m.** for the remainder of May, and the service will also livestream on Facebook and YouTube. In the event of inclement weather, the service will be on Facebook and YouTube only.

On Sunday, June 7, we will have Drive-in Sunday Morning Worship Service at 10:00 a.m. followed by a picnic lunch. Bring your folding chairs and a picnic lunch for a time of fun and fellowship.

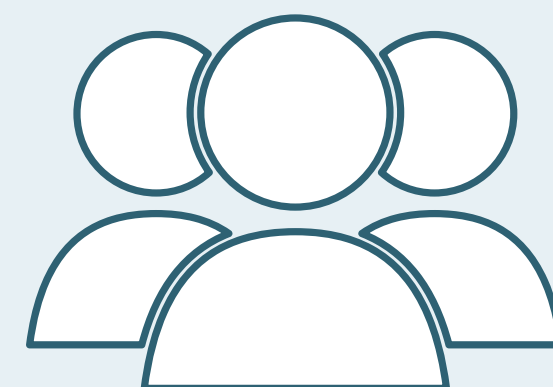

Sunday Morning Services begin indoors Sunday, June 14th

We may possibly have multiple service times, and we will provide more information in the coming weeks. Childcare, Extended Session and Children's Worship **will not** be available at this time.

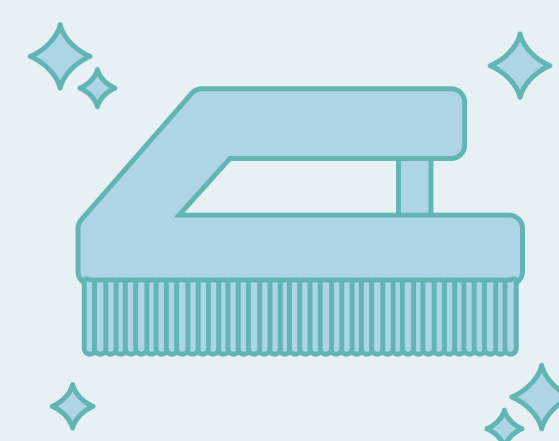

Sunday School & Wednesday Night Services

Sunday School lessons for all age groups will currently remain on Facebook, YouTube and Zoom video. Wednesday Night Bible study at 6:30 p.m., and Daily Bread devotional commentary videos will continue on Facebook. Pending social distancing mandates we will allow for Sunday School classes and Wednesday Night Bible Studies to meet back on campus in the **fall**.

Fresh and Clean

All surfaces will be thoroughly cleaned and will be sanitized between services. Some parts of the church will be restricted to better control the areas needing sanitization

Online Worship Available

If you are high-risk for COVID-19, have been exposed to someone with COVID-19, or are experiencing symptoms, or don't feel comfortable returning just yet, please stay home and participate in our worship services through Facebook and YouTube.

Stay tuned to social media for updates. **If you need anything during this time give us a call at 205-681-2254 or email us at locustforkbc@bellsouth.net.**
